XI Conference – European Congress of Methodology

Thursday 24 July 2025

Symposium : "Measurement and Machine Learning" (10:00 - 11:30)

time	[id] title	presenter
10:00	[277] About the (Non-) Invariance of Sensing Data	
10:20	[278] The Impact of Measurement Non-invariance in Target Variables on Machine Learning Prediction	
10:40	[279] Addressing Measurement Error in Machine Learning-Assisted Social Science Modeling	
11:00	[280] A Machine Learning-Based Workflow for Model Evaluation and Revision in SEM
