

XI Conference – European Congress of Methodology

Wednesday 23 July 2025

Session 13 : "Longitudinal models and Individual variability" - Faculty of Social Sciences and Communication. (The Pyramid)/11 - Room (17:30 - 19:00)

time	[id] title	presenter
17:30	[109] Longitudinal diagnostic models for small sample size contexts	Dr NÁJERA, Pablo Dr SORREL, Miguel A. Ms OH, Hyunjee Dr CHIU, Chia-Yi
17:45	[250] A Proposal to Test Approximate Measurement Invariance of Multi-Item Self-Reports Across Intense Longitudinal Assessments	SCHILLING, Oliver
18:00	[13] The Invariance Partial Pruning Approach to The Network Comparison in Longitudinal Data	DU, Xinkai
18:15	[51] Commensurable indicators - finding potentially metric invariant indicators	KLOPP, Eric
