

XI Conference – European Congress of Methodology

Thursday 24 July 2025

Session 19 : "Advanced statistical models and trust in Science" (08:30 - 10:00)

time	[id] title	presenter
08:30	[257] On The Interpretation of Vector Autoregressive Models	
08:45	[53] A sequence sensitive model of encoding precision	
09:00	[242] Extending MPT Models for Continuous Variables: A Comparison of Parametric and Non-Parametric Approaches	
09:15	[125] Towards a Global Predictive Model of Trust in Science	
09:30	[65] Integrative Pipelines for Preprocessing Mobile Sensing Data	
09:45	[205] A family of within-test operation-specific learning models
